Twilight Concert

Last Wednesday HWPS hosted a beautiful evening event to celebrate our students' music tuition program for 2016. This wonderful concert gave 120 of our music students an opportunity to take to the stage and impress us with their talent and determination.

The Twilight concert provides an outlet for the students to shine. It is a rich social occasion that brings parents and families together and encourages feelings of mutual support and pride. Our students showcased a variety of pieces played on the violin, piano, guitar, drums, cello and flute. The evening was full of highlights; from great leadership by the music captains, the pride of our community in each other's children and the outstanding performances from our students.

All students received a certificate of achievement and extra congratulations to Deric W and Elizabeth L who received the trophies for Senior And Junior Musician Of The Year respectively. The evening was capably and wonderfully organized by Mrs Cini and Mr Debnam, supported by Ms Joseph, Miss Willmington, Miss Zuccali, Mrs Pachos, Mrs Luschwitz, Mrs Morrison and Ms Poullos.

These teachers have our deep thanks and appreciation, as it is through their commitment to our music program we are able to host this valuable event.

Our school, all of us, parents, students and teachers, benefit from the sense of pride, achievement, connectedness, engagement and wellbeing that our students derive from their extra-curricular music program. I know you join with me in congratulating Mr Debnam and Mrs Cini the tutors, and all those who make the program and the evening possible.

Schools Spectacular

This week our well wishes go with our choir students as they embark on a rigorous rehearsal and performance schedule for **Schools Spectacular**. The Schools Spectacular is an outstanding showcase of the talent in NSW public schools. We are thrilled our students have the opportunity to participate in this rich learning experience *for the first time*.

Our choir students have been extremely dedicated, giving their best to learn a large number of songs to sing as part of the mass choir of 2700 students from across NSW.

These students have been led by Mrs Morrison, Mr Debnam and Miss Loos. We greatly appreciate the planning and preparation and efforts to make this opportunity happen.

Our students will be performing for at Sydney Olympic park on Friday night, Saturday matinee and Saturday night. The Schools Spectacular will be televised to a national audience. You can see this event on Channel 9 over the weekend and catch our super STARS being part of this much loved extravaganza.

If you would like to attend tickets can be purchased at; <http://premier.ticketek.com.au/shows/show.aspx?sh=SCHOOLSS16>

Rotary Primary School Citizenship Awards

Congratulations go to Gorima R and Jonathan F for being deserving recipients of the Rotary Primary School Citizenship Awards.

This award is given to students in recognition of outstanding qualities of leadership, positive attitudes, co-operation, reliability and trust and consideration towards others. The Mayor of Burwood, Cr. Jon Faker presented Gorima and Jonathan with their awards at a Rotary celebration evening.

Parent helper and scripture teacher thank you morning tea

School Volunteers have a very powerful impact on the students and schools. Available evidence suggests that when volunteers are present, students see that adults take school and education seriously and respect learning. This promotes positive attitudes toward school.

At Homebush West we are very fortunate to have a parent community dedicated to supporting our students and staff. Our parents have supported in many valuable ways. They have volunteered to teach scripture, run the uniform shop, help in the library, cover books, go on excursions, support in the classroom, and be part of P&C, School Council, Walking Bus and many other roles around the school.

All the staff at Homebush West Public School value and appreciate this support. As a token of our appreciation, we would like to invite you to our **Thank You Morning Tea on Thursday 1 December on The Ponds outside the staffroom at 11am** to show our gratitude for your dedication and hard work. We would love to see you all there.

Transition

On Monday 28 November and Tuesday 29 November our students will participate in transition. We believe if students have a strong transition at the end of the school year, they can meet the 2017 school year with excitement and confidence.

Our rich transition program is designed to support students with moving into the next grade. Our students will participate in a program that will support students the learning and social expectations in 2017.

Uniform reminder

Please make sure your child is in full school uniform each day. This is really important as it reflects the way we feel about our wonderful school, Homebush West. Students are to wear black shoes (no coloured laces), white socks, green shorts or pants and the school yellow top - short sleeved now please as it is getting very hot. All other acceptable accessories are to be in the school colours. Head bands, scrunchies and ribbons are to be black, yellow or green. No additional jewellery or coloured nail polish should be worn. Thank you to all the students who are wearing their Homebush West PS uniform with pride.

White Ribbon Day at HWPS

This Friday is White Ribbon Day and we will mark this occasion with a brief morning assembly at 9am in the school hall. K-6 students have been asked to wear a plain white shirt on Friday 25th November. White Ribbon Day is Australia's only national, male led Campaign to end violence against women which originated in Canada in 1991. The campaign works through primary prevention initiatives involving awareness-raising and education in developing our student's attitudes to respectful, non-violent relationships. Parents and carers are invited to join us at this important assembly.

Coming Up

- White Ribbon Assembly—Friday 25 November 9am
- School Spectacular—Friday 25 November

Stage 1 Excursion

On Monday and Tuesday this week Stage One explored the bushland of Sugarloaf Point in our excursion to the Field of Mars.

Students had the chance to consolidate their learning in geography about “Features of Places” through this rich experience. During the bushwalk our students discovered forests of mangroves and eucalyptus trees, were excited by storytelling about the features of the land and observed animals in their natural habitat. They had an opportunity to hunt for crabs along the banks of the Lane Cover River. Students really enjoyed building shelters and maps which they made from natural materials they could find.

We had an amazing and fun filled day of learning, filled with discovery about our natural environment and animals and how we can ensure that we care for them.

Softball Senior Girls

The Homebush West Senior Softball team played against Five Dock in what was our last game of the season. The team played on a proper baseball diamond with a cage and protected bench seating for both teams in the shade. This is the first time the team was able to play on such a pitch and it made for an exciting change. We battled hard and it was 4 all coming into the final innings where five Dock eventually ran out winners.

Throughout the season we have played some great softball and it was a pleasure to see the team grow and develop their knowledge and skill of the game as the season progressed. There were too many highlights to list them here, but I can tell you that every week the team had so much fun and it was great to be a part of the team this year.

To those of you moving on to high school, I wish you all the best, and to those of you who will be here next year we look forward to seeing at the team tryouts next year.

Well done one and all.

Coach Smith.

Tee-Ball Junior Girls

This year, the Junior Girls T-ball team has done a tremendous job. They have learnt many skills and I have seen them improve each and every week. They have always shown amazing sportsmanship and have always put in 100% effort in all their games.

I would like to say thank you the girls for all their efforts and also for allowing me to be part of such a team.

Well Done girls!

Coach Udovicic

Scintillating Final Match of the Season

In sweltering conditions at Campbell Park, we toiled hard against the might and power of Summer Hill PS. Our batting was highlighted with a boundary from Captain Nikhil. We surrendered four wickets but there were significant improvements in batting techniques from Kulpreet, Wong Wong and Kabir.

When it was our turn to face the blazing sun in the field, the nimble Noah and crafty Kabir snared two valuable wickets with their medium fast bowling. The ever improving Akshath was the superstar bowler of the day as he rocked the wickets of the opposition batter from back to back deliveries but didn't manage the hat-trick.

Junior Cricket Result

Summer Hill defeated Homebush West 103.5 to 68 runs

Player of the Match - Kulpreet

Cricket Senior

Last Friday the senior boys cricket team faced off against a strong and competitive Summer Hill PS side. The boys started with some strong bowling and good fielding but through the middle overs the opposition managed to compile a very strong total of 128 runs. Never ones to give up, the boys took on the challenge and went out to the crease ready to play hard. Both Austin and Aryan showed some big hitting but ultimately it proved to be a total to chase down. The final score being 128 runs to 112 runs.

Thank-you for a great season boys!

SHPS - 128 runs HWPS -112 runs

Circle of Security 2017

For parents and carers of babies, toddlers and children up to 7 years

THE PROGRAM:

At times all parents/carers feel lost or without a clue about what their child might need from them.

The Circle of Security help parents/carers to enhance the bond with their children and to understand their child's need for security as well as their need for exploration. When parents/carers tune into the emotional and relationship needs of their child, the child's behaviour improves.

Children who feel secure in their relationship with their parents/carers show, empathy, handle emotions, have good self-esteem, good relationships and do well when starting school.
