Twilight Concert

Last week Homebush West Public School hosted a beautiful evening event to celebrate our students' music tuition program for 2019. The Twilight Concert provides an outlet for the students to demonstrate their achievement and develop performance skills. It is a rich social occasion that brings our school community together. A record 180 music students took to the stage and showcased their talent and determination. Our students impressed us with a variety of pieces played on the violin, piano, guitar, drums, cello and song. Our tutors Ms Cecilia, Ms Jessica, Ms Rebecca, Mr David, Mr Mark, Mr Angus, Mr Joel, Mr Giorgio, Mr Liam and Ms Nadia were recognised for their contribution to our student's achievements, Ms Nadia in particular who has more than 50 students in the violin program.

We were treated to some exceptional additional items, the "Zhang family", Ian Zhang and his older brothers, and former HWPS students, Harrison and Hoen (now studying at The Conservatorium of Music) played a mesmerising piece on the violin and cello as a farewell tribute. Also, our very own Mr Debnam dazzled the audience on the trumpet alongside three of our tutors, Giorgio, Liam and Angus on the drums, trumpet and saxophone respectively.

The evening was brilliantly organized by Mrs Tamsett, Miss Zuccali and Mr Debnam, supported by Mr McFarlane, Mrs Pachos, Miss Hamad, Mr Johnston, Mrs Stone, Miss Sontoro, Miss Han, Mrs Molloy, Mrs Rich and Mrs Jabbour. These teachers have our deep thanks and appreciation, as it is through their commitment to our music program we are able to host this valuable event across four concerts. Special thanks also goes to our wonderful GAs and to our library and learning support staff for their significant support.

Our school, parents, students and teachers, benefit greatly from the sense of pride, achievement, connectedness, engagement and wellbeing that our students derive from this extra-curricular program. We know you join with us in congratulating Mr Debnam and Mrs Tamsett, the tutors, and all those who make the program and the evening possible.

Youth Empowerment LAB - Student Voice Presentation and Celebration

Last week, members of our executive team and school leaders, Pravin and Nameera, attended the Youth Empowerment LAB to showcase the significant work we've put in place with Student Voice initiatives. Our students were outstanding in sharing the Homebush West story at a significant ceremony attended by Murat Dizdar, Deputy Secretary, School Operations & Performance and Dr Sylvia Corish, Executive Director School Performance.

We are proud of all our Homebush West students who have contributed to the success of Student Voice Initiatives at our school and look forward to deepening this learning as we move into 2020 planning.

We acknowledge Miss Zuccali and Mrs Tamsett and their outstanding leadership, with significant support from all, particularly the staff involved in the project this year Miss Willmington, Miss Healy, Mr Macfarlane, Miss Saad, and Mr Fung.

Stage 1 'Everyone Learns to Swim' Program

Our highly successful Everyone Learns to Swim Program concluded last Friday. This valuable program is critical and is the foundation to our commitment to students to acquire vital skills to survive in water. In addition, Stage 1 students developed a variety of transferable skills including resilience, determination, confidence and team encouragement. We are very grateful to the organising committee led by Mr Fung, Miss Saad, Ms Kanakakis. We are grateful to the SASS team who work hard behind the scenes and to all our community members who supported its success.

Symphonia Jubilate Excellence

Symphonia Jubilate is a Community of Schools Symphonic Orchestra for students from Year 2 to Year 12. It includes students from public primary and high schools across Sydney. Last weekend they held their end of year concert at Marie Bashir PS, celebrating their 7th anniversary. In addition to outstanding solo and ensemble performances 'Symphonia Jubilate Outback' was launched. This initiative sees 45 students and 15 adults from Warren Central School and surrounds join the SJ movement of 'community through music.' The musicianship and standard of the concert was impressive. Our students showed great dedication in rehearsing and performing quality orchestral music from a diverse range of musical styles and complexity.

This wonderful evening was enjoyed by the Hon Prof Dame Marie Bashir, former and second longest-serving Governor of New South Wales, Dr Sylvia Corish, Executive Director NSW DoE, Maria Serafim, Director Educational NSW DoE and more than 150 student orchestra members, parents and members of the local community.

We are very proud of our students for their dedication and participation. A big thank you to Mr Debnam for his significant commitment to this highly valued program. Special thanks to our administration team, including our HWPS General Assistants for their support. For more information about Symphonia Jubilate go to <http://www.symphoniajubilate.com/>

Schools Spectacular

Schools Spectacular is here! This week our choir and dance ensembles have embarked on an exciting, rigorous rehearsal and performance schedule for the concert. The Schools Spectacular will be televised to a national audience on Channel 7. If you would like to attend, tickets can be purchased at <http://www.schoolsspectacular.com.au/the-show/tickets/>

Award Night

2019 Annual Award Night is around the corner. This is a very special event in our school calendar that celebrates the achievements of our students in 2019. A permission note has been sent home this week with more details. All parents are invited to share in the student performances and achievements.

Wrapped With Love Success

The final day for Wrapped with Love was held on Monday the 18 November. They successfully finished 28 squares, enough for their 3rd blanket. Out of the 131 blankets donated, our school made 3 of them. We deeply thank Mrs Prouty for leading and facilitating this fantastic initiative, knitting blankets to be sent around the world to people in need. Thanks also to our wonderful students who dedicated their lunch times to knit and connect with others. Wrapped with Love will resume in 2020.

Personalised Pavers Update

All students and families, including students in high school in 2020, will be advised of the installation and a small ceremony will be held to acknowledge those whose names have been embedded in the school's history. Stage 3 Incursion: UN Youth Group

On Friday the 15th of November, Stage 3 took part in an incursion facilitated by the Australian United Nations (UN) Youth. We engaged in experiences that supported our learning and understanding of how the United Nations, and how they impact our nation and the world.

With the guidance of the Australian UN Youth leaders we looked into what it meant to be an advocate for change, and how to voice our opinions and thoughts. Following this experience we took part in making a campaign video on significant international current affairs occurring at the moment.

This experience of working with the Australian UN Youth allowed us to gain a deeper understanding of what the UN does for our global community and how the goals they have made are being implemented to create a world of equity and sustainability.

The NSW Premier's Reading Challenge 2019

We are very proud to announce that 566 HWPS students from Kindergarten to Year 6 successfully completed the Challenge this year, our highest number since the Challenge began 18 years ago. Congratulations to our whole school community for supporting this initiative.

White Certificates will be presented to each student this week.

This year, 84 students will receive a Gold Certificate for 4 years participation and 36 students will receive a Platinum certificate for 7 years participation. These certificates are sent to us from the PRC office. As soon as we receive them we will present them to each student.

Last year over 300,000 NSW students read over 8 million books. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely. The Premier's Reading Challenge (PRC) is available for all NSW students in Kindergarten to Year 9.

Last Friday we faced a fantastic Newington team. Homebush West won the toss with the lucky dollar coin Miss Joseph found and selected to bat first. Mohammad and Aarush hit 2 fours each and Aryan hit 3 fours. We played really well and scored 87 runs. Next we bowled. Yath got 2 run-outs with direct hits on the stumps. There was also fantastic wicket-keeping by Harsha and we won the game by 4 runs!

By Nithin

Senior Cricket

Last Friday Homebush West played against Newington Public School in an important match to see if we would make the semi-finals. First up we batted as usual. Jay hit 2 amazing 6s and two 4s and Garry scored his first 4! Jay and Milind were a standout batting pair scoring a total of 39.5 runs between them!

During our bowling/fielding we demonstrated some extraordinary catching! Catching a total of 4 out of our 6 wickets! The last over was a beautiful catch from Akshath closely followed by Zack's last bowl for the season resulting in an excellent catch by Sandeep! Ahmet was backstop today and saved many 4s with his lightning speed and uncanny reflexes! Overall it was a very hot but great match by both teams with the final score being HW 135.5 - N 79. Congratulations Homebush West! Bring on the semi-finals!

Player of the match has to go to Jayaditya with his batting runs, great sportsmanship and sensational catch.

Junior and Girls and Boys Tee ball

Last Friday the Junior Girls and Boys Tee ball teams played against Burwood PS in a close, thrilling and easily one of our greatest games yet! Keeping in mind our collective goals from last week we were able to smash today's game and bring our all. The Junior Girls team narrowly missed the overall win today, ending the game with a final score of 22-21, and the Junior Boys team fulfilled their own expectations and won overall, with a final score of 28-9. Wow! What can I say? Effort and achievement for both teams today and as always, I am left feeling such pride and honour. Well done today Junior Girls and Boys! You amaze me each and every week.

A few highlights from today's game include:

Junior Girls

- Grace and Aalia's incredible teamwork as Pitcher/Short Stop and First Base; a dynamic that saw two consecutive outs - wow!
- Laura's amazing accuracy, three consecutive outs and a home run - fabulous work!
- Sadhvika's skilful stretch from Second Base, leaping out and catching a rolling ball which led to an instant out - outstanding!
- Sudharshana's improved batting and fielding techniques, making it very difficult for the opposition to get past Third Base - excellent!

*We value
Quality in all that
we do*

Junior Boys

- Pranav's outstanding come-back after surgery as Pitcher, which saw not one, not two but more than FIVE outs just by catching the ball on the full at the golden plate - phenomenal!
- Jun-Xi incredible heavy hits each time he approached that tee; it was unbelievable watching the ball travel into the sky and over the heads of all players - what power!
- The Junior Boys team as a whole - their support and encouragement for BPS was truly admirable. They showed deep care and concern to members of the other team who weren't feeling well and going through their own challenges.

I am so happy and proud to coach these students. They help me as much as I help them and together, we all make a great team. We look forward to hearing the results for the Semi-finals next week!

Fantastic effort and achievement today Junior Girls and Boys Teeball, great work!

Senior Boys Softball

On the sunny Friday 15th of November, HWPS played against Burwood Public. The team had some time reflecting on their performance during a practice game this morning, to understand where they were currently at in their skills.

The team played a strong game with Aaryan as their captain. They were able to all get a hit and make it to base at least once. Their fielding strong making clean outs, while some fumbles were made along the way, to keep them grounded.

The team was unsuccessful in winning the game, however they kept their heads up, remained respectful to the coach and remained flexible in understanding new rules. I'm so proud of how far they have come. Great work!

Mr Penman

Senior Girls Softball

With the hot sun beating down last Friday, HWPS squared up against Burwood Public. Last week in training we continued working on timing the hit so that we could have a seamless swing.

The team tried their best and it paid off this week winning by 1! It was a nail biting match. The team really worked hard together and supported each other well. This brought a real comradery. It was amazing to see each of the girls getting a hit, even if they didn't make it to base each time. The improvements the team have been made are outstanding. I couldn't be more proud of their hard work.
